NAEYC Badge

Include the NAEYC badge on your website and member-facing materials. See the [logo usage guide](#) above for more information about which materials should include the badge.

Use the NAEYC badge art provided; don't attempt to redraw the badge yourself.

When placing the badge, take care not to stretch or distort it in any way.

Leave a clear space around the badge. Don't put text or graphics within 10 px or 0.125" of the badge art.

Don't add or remove elements from the badge, change the color of the badge, or otherwise alter the badge artwork.

Don't make the badge smaller than 150 px wide on digital pieces or 2" wide on print pieces.

Place the badge in the upper right or lower left area of your design.
