Teachers and Consultants who work in early intervention or with children with special needs and their families

Do you work with children with special needs or their caregivers? Looking for inspiration, new ideas, and support for this important role? Are you supporting best practices in early childhood care and education? Do you want to know what is happening at the state level that might impact you?

Here are just a few of the many sessions designed just for you...

- Creating Supportive Environments for Children who have had Exposure to Traumatic Events
- Identifying Barriers and Opportunities in Integrating Young Children with Special Needs in Child Care Settings
- Reducing the Likelihood of Behavior through Peer Mediated Strategies in the Preschool Classroom
- Vision and Hearing Concerns in Young Children
- You Can Do Data! Making Data Collection Work in the Inclusive Classroom
- The LEAP Preschool Model: 35 years of inclusive, evidenced-based intervention for young children with autism

Register today!

Over 80 workshop sessions and special events will be featured. Training credit will be provided to meet DHS training requirements. Registration forms are available now at www.iowaaeye.org.
