

### SOCIAL AND EMOTIONAL DEVELOPMENT

- 1.1 Self**  
Infants and toddlers display a positive sense of self.
- 1.2 Self-Regulation**  
Infants and toddlers show increasing awareness of and ability to express emotions in socially and culturally appropriate ways.
- 1.3 Relationships with Adults**  
Infants and toddlers relate positively with significant adults.
- 1.4 Relationships with Children**  
Infants and toddlers respond to and initiate interactions with other children.

### PHYSICAL WELL-BEING AND MOTOR DEVELOPMENT

- 2.1 Healthy and Safe Living**  
Infants and toddlers participate in healthy and safe living practices.
- 2.2 Large Motor Development**  
Infants and toddlers develop large motor skills.
- 2.3 Small Motor Development**  
Infants and toddlers develop small motor skills.

### APPROACHES TO LEARNING

- 3.1 Curiosity and Initiative**  
Infants and toddlers express curiosity and initiative in exploring the environment and learning new skills.
- 3.2 Engagement and Persistence**  
Infants and toddlers purposefully choose, engage, and persist in play, experiences, and routines.
- 3.3 Reasoning and Problem Solving**  
Infants and toddlers purposefully demonstrate strategies for reasoning and problem solving.
- 3.4 Play and Senses**  
Infants and toddlers engage in play to learn.

### SOCIAL STUDIES

- 4.1 Awareness of Family and Community**  
Infants and toddlers demonstrate a sense of belonging within their family, program, and other social settings or groups.
- 4.2 Awareness of Culture**  
Infants and toddlers demonstrate a strong sense of self within their culture.
- 4.3 Exploration of the Environment**  
Infants and toddlers explore new environments with interest and recognize familiar places.

### CREATIVE ARTS

- 5.1 Art**  
Infants and toddlers participate in a variety of sensory and art-related experiences.
- 5.2 Music, Rhythm, and Movement**  
Infants and toddlers participate in a variety of rhythm, music, and movement experiences.
- 5.3 Dramatic Play**  
Infants and toddlers engage in dramatic play experiences.

### COMMUNICATION, LANGUAGE, AND LITERACY

- 6.1 Language Understanding and Use**  
Infants and toddlers understand and use communication and language for a variety of purposes.
- 6.2 Early Literacy**  
Infants and toddlers engage in early reading experiences.
- 6.3 Early Writing**  
Infants and toddlers engage in early writing experiences.

### MATHEMATICS

- 7.1 Comparisons, Numbers, and Operations**  
Infants and toddlers show increasing understanding of comparisons and amounts, including use of numbers and counting.
- 7.2 Patterns**  
Infants and toddlers begin to recognize patterns.
- 7.3 Shapes and Spatial Relationships**  
Infants and toddlers show increasing understanding of spatial relationships.

### SCIENCE

- 8.1 Scientific Investigations**  
Infants and toddlers gather and interpret information from the environment around them.
- 8.2 Scientific Reasoning**  
Infants and toddlers use reasoning to make sense of information in their environment.
- 8.3 Scientific Communication**  
Infants and toddlers share information and understanding about experiences in their environment.
