

SOCIAL AND EMOTIONAL DEVELOPMENT

1.1 Self

Children express a positive awareness of self in terms of specific abilities, characteristics, and preferences.

1.2 Self-Regulation

Children show increasing ability to regulate behavior and express emotions in appropriate ways.

1.3 Relationships with Adults

Children relate positively with significant adults.

1.4 Relationships with Children

Children respond to and initiate appropriate interactions with other children and form positive peer relationships.

PHYSICAL WELL-BEING AND MOTOR DEVELOPMENT

2.1 Healthy and Safe Living

Children understand healthy and safe living practices.

2.2 Large Motor Development

Children develop large motor skills.

2.3 Small Motor Development

Children develop small motor skills.

APPROACHES TO LEARNING

3.1 Curiosity and Initiative

Children express curiosity, interest, and initiative in exploring the environment, engaging in experiences, and learning new skills.

3.2 Engagement and Persistence

Children purposely choose and persist in experiences and play.

3.3 Reasoning and Problem Solving

Children demonstrate strategies for reasoning and problem solving.

3.4 Play and Senses

Children engage in play to learn.

SOCIAL STUDIES

4.1 Awareness of Family and Community

Children demonstrate an increasing awareness of belonging to a family and community.

4.2 Awareness of Culture

Children demonstrate an increasing awareness of culture and diversity.

4.3 Exploration of the Environment

Children demonstrate an increasing awareness of the environment in which they live, especially how people (including themselves) relate to that environment.

4.4 Relationships with Children

Children demonstrate an increasing awareness of past events and how those events relate to one's self, family, and community.

CREATIVE ARTS

5.1 Art

Children participate in a variety of art and sensory-related experiences.

5.2 Music, Rhythm, and Movement

Children participate in a variety of music and movement experiences.

2.2 Dramatic Play

Children engage in dramatic play experiences.

COMMUNICATION, LANGUAGE, AND LITERACY

6.1 Language Understanding and Use

Children understand and use communication and language for a variety of purposes.

6.2 Early Literacy

Children engage in early reading experiences.

6.3 Early Writing

Children engage in early writing experiences.

MATHEMATICS

7.1 Comparisons, Numbers, and Operations

Children understand counting, ways of representing numbers, and relationships between quantities and numerals.

7.2 Patterns

Children understand patterns.

7.3 Shapes and Spatial Relationships

Children understand shapes and spatial relationships.

7.4 Measurement

Children understand comparisons and measurement.

7.5 Data Analysis

Children demonstrate the process of data analysis by sorting and classifying, asking questions, and finding answers.

SCIENCE

8.1 Scientific Investigations

Children gather information and conduct investigations to address their wonderings and test solutions to problems.

8.2 Scientific Reasoning

Children use reasoning to make sense of information and design solutions to problems in their environment.

8.2 Scientific Communication

Children share information and understanding about experiences in their environment.
