

Iowa Association for the Education of Young Children

2007-2008 Annual Report

Affiliate of the
National Association for the Education of Young Children

Dear Friends and Supporters of Iowa AEOC:

It has been an amazing year for the Iowa Association for the Education of Young Children! Due to extraordinary support from our members, funding partners, and Iowa's early childhood community, our services have expanded, membership has increased, and we have assumed a stronger leadership role at both the state and national levels.

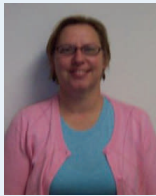

We thank our exceptional Board and dedicated staff for making this possible. Growth and new outcomes were achieved with our programs including the NAEYC Accreditation Facilitation Project, T.E.A.C.H. Early Childhood® IOWA, the Annual Iowa AEOC Conference, and leadership development efforts across the state. We hope you take time to review this report, highlighting some of the accomplishments of the July 2007 to June 2008 fiscal year.

Gandhi shared..."We must become the change we want to see." If you would like to become part of our work to create change as we support Early Childhood Iowa's vision of "Every child, beginning at birth, will be healthy and successful", please let us know. We'd love to have you join us as a member, in a volunteer leadership role, as a participant in one of our projects, or as a donor or contributor to this work.

Donna

Donna Kennebeck

2005-08 Governing Board President

Barbara

Barbara Merrill

Executive Director

Our Mission is to serve and act on behalf of the needs, rights, and well-being of all young children with primary focus on the promotion of educational and developmental services and resources for children, families, and communities.

Iowa AEOC respects and encourages the active participation of all members regardless of race, religion, gender, sexual orientation, ethnicity, age, ableness, and education.

Iowa AEYC Annual Conference

The Annual Iowa AEYC conference drew over 650 participants to Des Moines in October 2007. **Play....the missing link** was chosen as the conference theme, to draw attention to our role in promoting developmentally appropriate play in the world of standards and assessments. Buttons worn all over the state proclaimed **"Plays well with others"** to heighten interest in the event. Keynote speaker Pam Phelps helped us better understand play, and Dan Gartrell shared vital information about behavior management. In conjunction with our early childhood partners, three pre-conferences were offered, including informative sessions on outdoor play environments, New Staff Orientation director training, and curriculum and assessment. Former Governor Tom Vilsack was honored with the Children's Champion Award, and Iowa AEYC past-president Anita Hampton was named the 2007 Friend of Young Children. Participants enjoyed an evening at the Science Center of Iowa, thanks to a new collaboration.

Leadership/Advocacy

A key role for Iowa AEYC is promoting leadership development in the field of early care and education in Iowa and beyond. Under the leadership of the Governing Board, Iowa AEYC has taken a greater role in many state initiatives and advocacy efforts, including Early Childhood Iowa, State Child Care Advisory Council, Early Access Council, and more.

- In April, Iowa AEYC hosted the **Midwest AEYC** state boards and key staff for the annual Midwest AEYC leadership event. Gwen Simmons and Peter Pizzolongo from NAEYC facilitated training and conversations on board leadership and ethics in our field. We received a **MWAEYC Leadership Grant** to support some of the costs.
- **Donna Kennebeck**, President, and **Dee Stolze**, Vice-president, were named as recipients of the Governor's Volunteerism Award.
- **Tom Rendon** from the Iowa AEYC Board was elected to the NAEYC Governing Board, and **Melanie Felton**, Iowa AEYC President-elect, was named to the NAEYC Affiliate Council Executive Committee.
- Members in southern Iowa identified a need and successfully collaborated on a NAEYC Value of Membership grant, resulting in the formation of a new Iowa AEYC Chapter, **Green Valley**.
- Advocacy events such as 2008 Iowa Legislature Day on the Hill, NAEYC Public Policy conference, Week of the Young Child table at the Iowa Capitol and more featured an Iowa AEYC leadership presence.
- Our membership grew from 1192 in July of 2007 to 1483 in July of 2008.

NAEYC Accreditation

NAEYC ACCREDITATION represents the “gold standard” for our industry, and as an affiliate of NAEYC, Iowa AEYC is proud to support the efforts of our members and others in our state working to achieve program accreditation. The Iowa AEYC Board voted to expand our accreditation grants given annually to also include NAFCC and NAA accreditation efforts this year. Iowa AEYC hosts an **ACCREDITATION FACILITATION PROJECT**, *Quality Improvement Meetings for Administrators*, with over fifty directors meeting with facilitators in Cedar Falls, Cedar Rapids, Des Moines, Dewitt, Oskaloosa, Quad Cities and Sioux City throughout the 2007-08 year. A meeting was held with members of the Accreditation Committee and Facilitators and Hosts on October 24, 2007. Packets of information on accreditation were prepared for audiences including parents, potential programs, and community partners/funders, and are distributed on request through our offices. Our spring 2008 Iowa AEYC newsletter, distributed to over 1400 members, had an accreditation focus, and NAEYC accreditation links were added to our website. An **ACCREDITATION SEMINAR** was held in West Des Moines on April 30, 2008 for thirty-six Accreditation Committee members, facilitators, hosts and directors that were interested in learning more about the project and NAEYC accreditation. This project was supported by funding from the Department of Management, **OFFICE OF EMPOWERMENT**, from the state-wide professional development funds.

POLK COUNTY EMPOWERMENT supported accreditation grants to eight programs seeking NAEYC Accreditation. These programs participated in our Accreditation Facilitation Project and many of them finished their NAEYC accreditation process this year. Apple Tree Children’s Centers in West Des Moines and Urbandale, Little Dragon Preschool in Johnston, Iowa Health System Child Development Center, The Children’s Place at Farm Bureau, House of Mercy/John R. Grubb Child Development Center, and the Science Center of Iowa Preschool appreciate this support from Polk County Empowerment and Iowa AEYC.

Through a contract agreement with **SCOTT COUNTY EMPOWERMENT**, Iowa AEYC supported the fiscal services for the Quad Cities Iowa AEYC Chapter’s Accreditation Project, *Quality through Accreditation*. An intensive model offers training and technical assistance to support programs in Scott County and surrounding areas, and has made outstanding progress this year in promoting higher quality early care and education services for the children and families of that part of our state.

CENTERS ACCREDITATED JULY 2007-JUNE 2008

AHST Community School Preschool, Avoca
Apple Tree Children’s Center, Ankeny
Apple Tree Children’s Center, Clive
Apple Tree Children’s Center, Norwalk

T.E.A.C.H. Early Childhood® IOWA

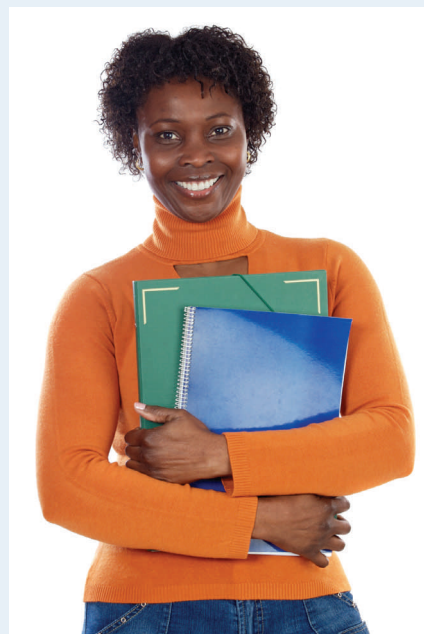

T.E.A.C.H. GRADUATES SUMMER 2007-SPRING 2008

CDA CREDENTIALS:	Edina Koco
108 Earned	Kimberly Miller
	Brenda O'Halloran
ASSOCIATE DEGREES	Kristi Parsons
Bonnie Blake	Laura Perry
Jon Ann Beede	Pamela Rogers
Rochelle Evans	Katherine Seibel
Kelly Ford	Kimala Smith
Angie Gaul	Jamie York
Wendy Houser	
Tiffany Huemann	ENDORSEMENT
Debra Kephart	Cherie Rissman

In fiscal year 2008, T.E.A.C.H. Early Childhood® IOWA celebrated our fifth anniversary of providing scholarship support for the early care and education workforce in this state, and our first anniversary as part of Iowa AEYC. In a year when Iowa implemented state-funded universal voluntary preschool, as home-based child care is being studied by the Iowa Legislature, and when participation in the Iowa Quality Rating System continues to exceed expectations, T.E.A.C.H. is a critically important system component and vital support for the workforce. With increased resources from our funding partners, including support from the Early Childhood Iowa Professional Development funds, participation grew by over 20% to over 441 teachers, assistant teachers, directors, and family child care providers benefitting from a T.E.A.C.H. contract as they work to achieve a CDA credential, associate or bachelor's degrees in early childhood education, or an early childhood education endorsement to a teaching license.

HOW ARE OUR SCHOLARSHIP RECIPIENTS DOING?

- ★ **3374** college credits were completed
- ★ Participants average **12** credits per contract year with grade points averaging **3.6** out of 4.0
- ★ Over **600** Iowans have earned their CDA credentials since 2003, **108** completing their CDA in 2007-08 with help from T.E.A.C.H.
- ★ Wages of participants increased by an average of **6%**
- ★ Turnover for those who completed a T.E.A.C.H. contract this year was only **2%**, compared to a field that averages 30 – 40% annual turnover.

The T.E.A.C.H. staff and Advisory Committee have implemented several projects this year that increased accessibility to higher education for our workforce.

- "PLUS" options were created and implemented to allow programs such as school districts who previously could not participate in T.E.A.C.H. because of the required compensation increases to pay more of the tuition and books "up front" and allow T.E.A.C.H. to directly send the recipient a compensation bonus at the end of the contract year.
- The College Resource Directory was updated and distributed through websites, providing detailed information on the colleges throughout Iowa that provide early childhood education coursework.
- With the new minimum wage law, we adapted our release time reimbursement amount appropriately, and with the higher cost of gasoline, we increased our travel stipends.
- We identified the need for an updated workforce study and a system for supporting the CDA credentialing process state-wide.

There's much to be done as we move forward. We hope the year ahead brings us closer to a WAGE\$ compensation initiative for Iowa. In tough economic times, we recognize the need to be not only careful stewards of these funds, but also good advocates for the needs of our workforce and the young children of Iowa.
