7	Weekly is too much. I belong to several professional listserves and my mailbox is always full so I glance quickly at headlines, then click if it appears notable. Would prefer a monthly newsletter or have a choice not to get weekly, rather, once a month or bimonthly instead.	2/12/2018 10:49 PM

9	It would be great if there was more local training hosted by Iowa AEOC. I really enjoy the few conferences that I have attended.	2/12/2018 8:50 PM
10	The articles are good. Maybe local activities and a professional development training list once a month. Could divide it up into one section throughout the month. Such as national one week and local the next.	2/12/2018 5:51 PM
11	I know the politics etc are important but I'm sick of reading in every NAEYC email. Let's quit talking about salaries and focus on how we can teach our kids. I want research based information, good ideas for everyday working with my kids and ideas for being a better director.	2/12/2018 4:44 PM
12	I would like to be offered more networking and training for our program	2/12/2018 3:41 PM
13	Like the weekly newsletter. Try to read what interests me when I have the time.	2/12/2018 2:48 PM

22	Living in the very NW corner of IA I feel isolated from training, meetings, and conferences. Even getting emails, facebook, twitter, etc I feel very distanced from everything.	2/12/2018 12:06 PM

26	I don't always read the weekly articles, but I feel like the Iowa AEOC focuses on less educated members than the NAEYC does. As a professional with a Master's degree working in a school system for over 20 years, I rarely see articles or PD offered that feel like they could give me new information or further my development as a teacher.	2/11/2018 6:24 PM
